

# HARTLEY'S HAWGS YOUTH BASS FISHING CLUB

## DEAR POTENTIAL JERSEY SPONSOR:

Hartley's Haws Youth Bass Fishing Club is seeking sponsors for our 2026 Team Jerseys and apparel. As a sponsor, your financial donation is vital to our mission. The purpose of our club allows youth anglers to participate in educational classes, local fishing events, and even the potential to participate in National Championships!

Harley's Hawgs and our incredible sponsors have been represented on the local and state tournament levels, as well as on the national level. In addition to having 30+ anglers participate in our club during the 2025 season, we had the following successes:

- Ohio Bass Nation High School State Championship- 2nd Place
- Ohio Bass Nation Jr. State Championship- 1st Place, 2<sup>nd</sup> Place
- OBN Tournament Trail- 1<sup>st</sup> Place, "Team of the Year"
- SAF Ohio State Championship- 2<sup>nd</sup> Place
- High School Bassmaster National Championship- 7<sup>th</sup> Place
- 3 Junior Teams participated in the Bassmaster National Championship- 8<sup>th</sup> Place

We would love to represent your company at these events. The donation for a small logo is \$300. This would include your logo on approximately 30+ jerseys for our current roster, as well as some parents are planning ordering jerseys for themselves. Large logo sponsorships, (or small logo in multiple locations) are also available for \$1200.

Your donation will be used to purchase these jerseys for our club members, the club advisors and the cost for members to attend State/National Tournaments. Our club is organized and completely run by volunteers.

We appreciate your support of our club, our youth, our coaches and our volunteers. We cannot succeed without the generosity of supporters like you!

Sincerely,  
Harley's Hawgs Fishing Club
